

include/img2num.h

```
graph TD; A[include/img2num.h] --> B[cstddef]; A --> C[cstdint];
```

The diagram illustrates a header file dependency. A central box labeled 'include/img2num.h' has two arrows pointing downwards to two separate boxes labeled 'cstddef' and 'cstdint'. This indicates that the 'img2num.h' header file includes definitions from both 'cstddef' and 'cstdint'.

cstddef

cstdint
